

# ▶▶ shield yourself! ◀

▶ If you don't, you could...

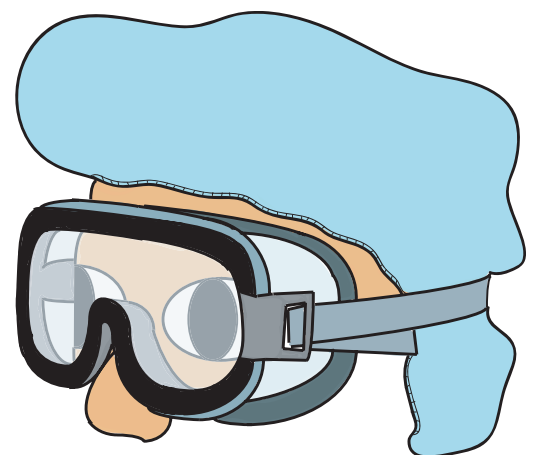

- Contract Hepatitis or HIV via blood and body fluid exposure
- Contract other infectious diseases e.g. SARS, TB
- Suffer vision loss or impairment due to chemical burns or flying debris ◀

**SAFETY GLASSES** guard eyes against impact hazards and direct splashes.

**FACE SHIELDS** protect the entire face from splashes but *not* impacts.

**GOGGLES** protect eyes from all angles.

**\*\* The protective equipment above must be CSA approved**
